

INTERNATIONAL CONGRESS ON ENERGY FLUXES AND RADIATION EFFECTS

19th International Symposium on High-Current Electronics

13th International Conference on Modification of Materials with Particle Beams and Plasma Flows

17th International Conference on Radiation Physics and Chemistry of Condensed Matter

Dear colleagues!

We are glad to inform you that there is not much time left until the Vth International Congress on Energy Fluxes and Radiation Effects 2016 (EFRE2016) begins! We remind you that the Congress will be held on October 2-7 in Tomsk (Russia) in the Engineering Center of the Tomsk Innovation Zone (prospekt Razvitiya, 3).

The Organizing Committee offers the following forms of participation:

- Oral presentation;
- Poster presentation (guidelines are available at [Congress website](#));
- Publication of paper.

Please keep in mind that registration and submission of abstracts and papers are to be done via [EasyChair.org](#) conference management system. Please proceed to the registration page to register as an author and submit your paper. Please, use the [registration](#) and [submission](#) guides for instructions.

Following the results of the Congress, of all submitted papers the Program Committee will recommend 10 papers for publishing in **Vacuum** journal (ISSN: 0042-207X, Impact Factor: 1.858) and 10 papers for publishing in **Russian Physics Journal** (ISSN: 1064-8887, Impact Factor: 0.671).

All papers submitted to the Congress and not selected by the Program Committee will be published in one of the following journals according to authors' preference:

- **"Journal of Physics: Conference Series"** (indexed in Web of Science and Scopus databases)
Guidelines for authors: <http://conferenceseries.iop.org/content/authors>
- **"Izvestiya vuzov. Fizika"** (indexed in Russian Science Citation Index database)
General guidelines: <http://www.ntl.tomskinvest.ru/information.html>,
Formatting guidelines: <http://www.ntl.tomskinvest.ru/design.html>

Abstracts should contain no more than 250 words and submitted only via Abstract field of Easychair online submission form. Please do not upload separate abstract files!
